Six Colleges Debate At Hilltop

"KNIGHTLIGHTS" Now Progressing

Very Rev. Francis E. Moriarty, SSE., President of St. Michael's College last week announced the repeat performance of "Knightlights," Michaelmen talent revue at the Memorial Auditorium on April 17th.

CENTENNIAL FUND

The show will be presented as a charity benefit for Vermont's aged and will represent the contribution of the St. Michael's and Trinity student bodies to Bishop Ryan's Centennial Fund.

CAST OF 180

Although original plans called for the show to be restaged with minor revisions, Co-Directors Leo Allard and Paul Kelly announced that "Knightlights" will be an almost entirely new and different show. This, they said, would insure the return of those who saw last November's performances. The new routine will be presented.

Those interested in joining the cast of "Knightlights" are requested to watch the bulletin boards for announcement of auditions and rehearsals. Although some acts, such as the Glee Club, the College Octet and the Arabian Knights, have already begun preliminary rehearsal. There is still the need for more stage talent.

TECHNICAL OPPORTUNITIES

A call for technical assistants and auditorium and stage workers will be issued at a later date. Volunteers may give their names to either Allard or Kelly in Ryan 116 or to Buzz Barrett, Publicity Director in Ryan 108.

Campus Flicker Clicks

By JOE MCCANN

Through the efforts of Father Larkin, the Student Council established a Sunday night campus movie program last fall.

"BUDDY, HAVE YOU GOT 15 CENTS?"

This program was intended to be non-profit and an admission fee of 15¢ was charged to cover the rental cost of the film. Unfortunately, some students were apparently unable to pay the 15¢ admission price and Father was forced to seek the Student Council as an additional source of revenue.

Efforts were made to correct this situation, but the difference continued to exist between the total admission receipts and the film rental cost.

A PROFIT SHOW

Father Larkin has informed the Student Council's Movie Committee that at last Sunday's showing, the admission receipts exceeded the film rental cost. The student body is to be commended for making this possible and is asked to continue its support so that movies on the calibre of "Laura" can continue to be presented.

The members of the Movie Committee are J. P. Cummings, Cleveland Williams and Joe McCann.

Shown preparing for forthcoming tournament are, left to right: David Michael Mullin Chairman; Prof. Edward Murphy, Moderator and John J. O'Connor, Novice Debate Coach.

Discussions To Continue All Sat. Afternoon

The Annual Intercollegiate Novice Debate Tournament sponsored by the Newman Debating Society will be held this Saturday, March 7th on the Michaelman campus.

COLLEGE MEET

Chairman David Mullin will register the debaters from Dartmouth, U.V.M., Middlebury, Champlain, St. Anselm's and St. Michael's who in turn will debate the current national topic, Resolved:

That the U.S. Federal Gov't should adopt a Compulsory Fair Employment Practice Commission.

LOGICAL COHERENCE

The purpose of the tournament is not to declare any one individual winner but rather to offer the actual experience of presenting one's point of view in a constructive, coherent and logical pattern so that the students may further their appreciation of formal argumentation.

The members of the St. Michael's Debating Team who will take part in the discussions are: Henrick Bredenberg, Donal Flynn, Thomas Gallini and John Stebbens.

DEBATING & THE CURRICULUM

The debates will start at 1:00 P.M. in College Hall and Science Hall and will continue throughout the afternoon. Schedules of debates will be posted throughout the various bulletin boards in the residence halls. All students are urged to attend these interesting debates in order that they may see the value of public speaking and

Council Suggests Guide Book Revisions

By JERRY RYAN

At the last meeting of the Student Council, a committee was set up to investigate the possibility of changing the Student Guide Book for next year. The committee, headed by Ken Kirby, submitted to the Administration the possible changes that could be made in the new book. The proposed book would contain:

1. The former Student Guide.
2. The Student Council Constitution.
3. The office hours of the various offices on campus.

4. The Council members for next year.

5. A list of the yearly function.

BLOOD DRIVE SOON

It was announced at the meeting that the Blood Drive for this spring will be held on March 23rd. John O'Connor and John Cummings were named to a committee to run the Blood Drive. Also announced at the meeting was that the week of March 15-21 will be Red Cross Week for St. Michael's. Heading the Drive on campus will be Bill Doyle, while Frank Foley will spark

the off-campus students into giving their extra change.

CLUB STATUS

Owen Murphy, Student Council President, appointed a new Club Status Committee which consisted of Joe McCann, Bob Nugent, and Paul Landry. The purpose of this committee is to investigate the various clubs and judge whether or not the clubs are performing their functions properly. If so, the committee is to give recognition to the clubs that they are doing well. If not, it is to criticize and help such clubs come up to par.

CLASS PLAY COMPETITION SOON

By DON RESSE

Once again the students of S.M.C. will be given the opportunity to witness four theatrical productions on the campus when the four classes compete in the annual one-act play competition scheduled March 17 and 18.

INDIVIDUAL TALENT

This year's productions are in keeping with the custom established some years ago whereby each class puts forth its best theatrical talent to be its representative in Austin Hall.

KEY MAN

Preparing a one-act play is no mean feat - it requires a combination of talent, interest, cooperation and, especially patience. As in any other theatrical production the director is the key man; on his ability and judgment depend the success or failure of the production. It is his job to supervise the learning of lines and stage movements and also to help the actors in interpretation i.e. gestures, tone of voice etc., and to direct the set construction.

FROSH GIVE THRILLER

The Freshman production will be "Yellow" by Lucille O. Hayum. The story concerns the vengeful return of a man unjustly sent to prison and is best described as a "thriller." Sam Baldo is

director and his cast consists of Craig Lynan, Richard Thibodeau, Dave Matthews and Raymond Jeremiah. In "Yellow" the Freshmen have a potential prize winner and with the time and effort going into its preparation it is expected that it will offer the best in entertainment.

THE DEVIL TO PAY

For the Sophomores "Lucifer at Large" is being prepared under the direction of Frank O'Handley. Written by Frank R. Ford, it is concerned with the struggle between the devil and God. The semi-naturalistic setting and the fact that much of the play takes place in front of the closed curtain add a touch of strangeness to the whole performance. For a play that's "different," "Lucifer at Large" can't be surpassed.

The cast is composed of David Essenfeld, Herbe Ashe, James Dempsey, Richard Lapan and Robert Fontaine.

A WELCHER IN EIRE

"The Informer," being staged by the Junior Class is a regular "whodoneit," by Liam O'Flaherty. The play takes place in Ireland and expresses itself in the lines, "someone informed on Frankie McPhillip and no one in the organization can rest safe 'til we track him down" It made one of the greatest of all movies.

For dramatic effect "The Informer" depends solely upon the strength of the plot and the dramatic ability of actors. Complimenting the male cast of Donal McGael, Don Reese, Jack Crotty, John Carroll, and John Hamilton are Maureen King, Doris Henry and Jackie O'Brien from Trinity and Burlington. It will be directed by Don McGael.

Frank Barrett, directing the Senior Class play, has chosen the last act of "The History of Dr. Faustus," by Christopher Marlow. This tragedy is familiar, at least in its written form, to many S.M.C. students and tells the story of a man (Faustus) who sells his soul to Satan but attempts to cheat the devil from his claim.

ENCORES

Frank Barrett also directed "Submerged," which won first place for his class at the last class play competition. In addition, Ed Daly was also a member of the cast of the last winner.

Edward O'Gorman plays the leading role of Dr. Faustus and is supported by Colb O'Donnell, Edward Daly, Edward Freeley and Alberta Hogan from Trinity.

Choosing a winner will not be an easy task for the judges but no matter who the victor may be, we can all be assured of receiving a full measure of entertainment.

K & K Encores

St. Michael's College Knights and Knaves are rehearsing Tchekoff's one-act comedy, "The Boor" for the Athena Club. The play was read March 6 at the clubrooms in Burlington.

Directed by Dr. Armando Citarella, moderator of the Knights and Knaves, the comedy presents Frank O'Handley and Donal McGael of St. Michael's College and Miss Patricia Stancliff of Trinity College.

O'Handley is Grigori Smirnov, while McGael is Luka. Miss Stancliff is Helena Popov.

PAST PERFORMANCES

O'Handley lives in Brooklyn, and was featured in "Twelfth Night," which the Knights and Knaves gave last year. He was also seen in "Brother Orchid."

McGael played the inspector in "Angel Street," this year. He is also writing radio scripts for the Pen and Mike Club's Sunday broadcasts from WJOY. He is from Saugatuck, Conn.

Miss Stancliff, a senior at Trinity College, is a native of Hyde Park, Vt. She has been featured not only at Trinity College, but also at several St. Michael's productions and is known for her fine soprano voice.

"PLEASE TAKE NOTICE!"

"Sociology Club meets tonight!"
"Outing Club meets tonight!"

The appearance of such signs has been conspicuously absent during the past months, and likewise, for the last few years.

All of the school's extra-curricular clubs have been established for the use of interested students. But where is the interest? We think that part of the fault lies with the lack of publicity by the club leaders.

FOR SELECT GROUPS?

Certainly the clubs are open for all, but who ever gets to know when they meet? At times a sign is placed on one of the bulletin boards. But when this is done, it is frequently only on the afternoon of the meeting itself. Otherwise, no sign at all is put up and so no one really gets to know when a meeting is to take place. The present set-up makes the clubs look like individual select groups.

WORD OF MOUTH ALONE

Besides the club meeting signs there has also been a great lapse in the publishing of other various notices. For example, the notice for all seniors to have themselves fitted for caps and gowns was spread about by word of mouth.

Also, until recently, the notice to order graduation invitations was spread about in the same manner. Now a sign is put up declaring there are only a few days left to order these invitations.

NOT TOO DEMOCRATIC

This lack of proper notices places the off-campus students and day-hops at a very real disadvantage. We think that the failure to use signs, telling of all facts necessary, has been chiefly responsible for the slack in club interest and also some student indifference.

Where the fault lies, we do not know but we would suggest that the Student Council look into the matter and arrive at a quick solution. After all, those who live off-campus and day-hops are as much a part of the college as those on campus. So let's have some cooperation by those concerned.

"THE IDES OF MARCH"

A taxpayer's parody of Lincoln's Gettysburg Address. (Time magazine, March 10, '52)

"One score and 19 years ago, our fathers brought forth upon this nation a new tax, conceived in desperation and dedicated to the proposition that all men are fair game. Now we are engaged in a great mass of calculations, testing whether this taxpayer, or any taxpayer so confused and so impoverished, can long endure.

We are met on form 1040. We have come to dedicate a large portion of our income to a final resting place with those men who here spend their lives that they may spend our money. It is altogether anguish and torture that we should do this. But in a larger sense, we cannot evade, we cannot cheat, we cannot underestimate this tax. The collectors, clever and shy, who compute here, have gone far beyond our poor power to add and subtract.

Our creditors will little note nor long remember what we pay here, but the Bureau of Internal Revenue can never forget what we report here.

It is not for us the taxpayers, to question the tax which the government has thus far ignobly spent. It is rather for us to be here dedicated to the great task remaining before us - that from these vanishing dollars we take increased devotion to the few remaining - that we here highly resolve that next year will not find us in the higher income bracket, that this taxpayer, underpaid, shall figure out more deductions, and that this tax of the people, by the Congress, for the government, shall not cause solvency to perish."

Letters To The Editor

Now that the dust has settled and the air is comparatively clear, it is time several comments were made on the recent "Who's Who" selections.

There appears little need to debate whether or not the present policy of selection should be viewed with a critical, unjaundiced eye. It is generally agreed that the system leaves something to be desired and that we Michaelmen have made of "Who's Who" something less than "Who's Who" deserves.

On other college campuses the annual announcement of selections is met with what approximates unanimous approval. It is unfortunate that our set-up courts, if not openly invites, criticism. Too often this criticism is motivated by personal loyalties, friendships and similar subjective factors. In view of this problem's inevitability, however, the Student Council would do well to place the whole system under critical appraisal and consideration.

One wise course which the Council could follow would be to vote the annual selection out of its own hands to a board composed of Council members and members of both the faculty and administration.

A close-to-ideal organization would include the Council president, two Council members and Fathers Moriarty, D'Agostino and Dupont, Dr. Durick and Mr. Garrett. Certainly selections made by this group could not be associated or identified with campus politics or group loyalties.

In all fairness to those selected this year and those that will be selected in the years which follow, revision of the selection process should receive every consideration by the present Student Council.

Perhaps we have all noticed the recent current of reform on campus. This is one problem which certainly merits honest and sincere investigation.

Sincerely,

A Michaelman

As a student who believes there are many things wrong with the present administrative set-up, I should like to refer both students and administration to several practices that are or have been carried on.

In ethics, we distinguished between the iron law of wages and a just living wage and were taught that any institution unable to pay a living wage should cease to function. I would call to your attention the fact that wages of several school employees have recently been reduced by means of cutting the number of working hours per week. It is not the fact that they are being underpaid I am complaining of, but rather that their already meager reward is being further reduced. I am all for practical economy, but I believe that food on these people's table is of greater value than dead evergreens surrounding the athletic field and Ryan Hall. That adventure alone could have provided for a family for weeks. Another

Barry Cited For All-N.E. Honor

Wins Poll For Second Time

George Barry, St. Michael's ace forward, has been voted to the All-New England, All-Catholic hoop team for the second successive year in a poll conducted by Coach Bus Sheary and Sports Publicist Jerry Healy of Holy Cross. Barry was an All-Stater last year and seems certain to repeat again this season for the Vermont titleholders.

The 6-1 senior began his career for the Knights by leading the frosh team of the '49-'50 season through an undefeated campaign. After moving up to the varsity, George became a consistent scorer and defensive whiz for three seasons.

"MR. HANDCUFFS"

In twenty games this year, Barry has tallied 279 points for an average of 14 per game, shooting 34 percent from the floor and 50 percent from the foul line. But it would be even more noteworthy to look over Barry's defensive efforts, if possible, and then estimate their value to the Knights. In fact, his ability to chill the opposition's key men earned him the nickname of "Mr. Handcuffs."

Joining Barry on the District One team are Palazzi, Perry, Markey and Kielley of Holy Cross, Silk and Daukus of Boston College, Duffley of St. Anselm's, Moran of Providence, and Sincero of Stonehill. Barry, Markey, Palazzi, Perry, Daukus and Duffley are repeaters from last year's team.

INTRAMURALS

St. John's just did manage to remain undefeated and at the top of the intramural circuit when they edged St. Pat's 47-44. Paced by Jack Kendrick and Jim Schaefer who tallied 14 and 12 respectively, St. Patrick's stayed right on the heels of the frosh all the way but it wasn't quite enough. DesRoches was high man for St. John's, throwing in 20 points.

ADD THESE UP

The Pajama Five moved up a few rungs on the ladder by knocking off Ryan I 32-23 and Old Hall III 42-32. Pete Roy chalked up 10 for the P.J.'s, while the Ryaners were led by Dick Fleming. In the other contest, Roy and Foley did most of the scoring against Old Hall, despite Denny Tabor's 20 markers. In an overtime contest, Old Hall IV topped Burlington Off-Campus 43-41, while Ryan IV was running over the boys from College Parkway 52-30.

Knights Rally Over Champlain

In one of the weirdest contests staged on the Auditorium floor this season, the Knights emerged victorious, Monday, over Champlain College of Plattsburg to the tune of 71-55. The final score, however, in no way tells the story of the game.

Throughout the first half, the Knights' offense was almost nil. In fact with but a few minutes remaining to halftime, St. Michael's had only accounted for three field goals and they found themselves on the very short end of a 34-11 count. On the other hand Jerry Samuels had poured 15 points through the hoop for the Bluejays, who seemed to be consistently piling it on.

SCORING SPREE

At this point Hank Witte began to hit for the Purple and before the half closed, the margin had been shaved to sixteen markers. Bob Young, who had been held to one foul shot thus far, opened up in the third quarter and dropped in 12, sending the Knights into the final period with a 47-40 handicap. Paul Aumand, coaching in place of "Doc" Jacobs who is on a well earned vacation, then sent in reserves Bob Bolster and Dick Spreer. Add Mike Carr and the rebounding of Bob Murphy and you have the 31 point scoring spree the Knights put on before the choking Bluejays. Young was high for St. Michael's with 15, while Samuels paced Champlain with 16.

CATS MAKE SECOND BOW TO SMC HOOPSTERS

The Purple Knights of St. Michael's will have to share the hoop crown with Middlebury this year, as both teams managed to win out over Vermont and complete State competition with identical records. As it was, the St. Michael's cagers had assured themselves of this tie by virtue of their 60-55 win over the Catamounts early last week, but it was the final game that decided the title.

Actually the Knights came within 13 seconds of claiming sole ownership of the State laurels, for at this point Vermont was leading the Panthers 74-73 and had possession of the ball. However a foul was drawn by Al "Sonny" Dennis, Middlebury's top scorer and the high man in the state. He made good both his shots and the whistle sounded before the Evansmen could recover.

St. Michael's closed out the State season with a 5-1 record, as did Middlebury; Vermont was 2-4, while the Cadets from Norwich were blanked 0-6.

RECEIVED EARLY SETBACK

Coach George "Doc" Jacobs boys got off to a bad start in the race when they dropped the opener to the Panthers 73-71 down at Middlebury. Things didn't appear much better down at Northfield, when the Knights had to go right down to the wire to eke out a 62-61 win over the Cadets. Once again, in the first Vermont game, St. Michael's had to recover from a 16 point deficit before knocking the Cats off 59-57. The Purple finally achieved a tie when they set Middlebury back 52-43 in a game that was highlighted by George Barry's defensive work on Dennis, holding the latter to but one field goal.

When Norwich came into the Auditorium, the up-hill battle resumed and the contest went into a five minute overtime before the Knights could pull it out 63-57. Then followed the return tilt with Vermont and finally those unlucky 13 seconds that decided the split.

It's the
size of the
FIGHT
in the
man!

That's right! In the U. S. Air Force, it's not the size of the man in the fight—it's the size of the FIGHT IN THE MAN! And Aviation Cadets must have plenty of it. For Cadet training is rugged. If you're good enough . . . tough enough . . . smart enough . . . if you can take it while you're learning to dish it out, you can have one of the most fascinating careers in the world. You'll be equipped to fly the latest, hottest planes. You'll be prepared to take your position as an executive, both in military and commercial aviation as well as in industry. And while you're helping yourself you'll be helping your country.

WIN YOUR WINGS! It takes little over a year to win your wings as a Pilot or Aircraft Observer (Navigator, Bombardier, Radar Operator or Aircraft Performance Engineer). But at the end of your training you graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year.

ARE YOU ELIGIBLE? To qualify as an Aviation Cadet, you must have completed at least two years of college. This is a minimum requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will give you a physical examination.
3. Next, you take a written and manual aptitude test.

4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

WHERE TO GET MORE DETAILS:

Visit your nearest Air Force Base, Air Force Recruiting Officer, or your nearest Air Force ROTC unit. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

DEBATE

Continued from page 1
its direct relation to a complete college education.

OTHER OPPORTUNITIES

This presentation sponsored by the Debating Club, under the guidance of its Moderator, Prof. Edward Murphy is merely one of the many various activities which the club offers to all its members throughout the year.

The club is know planning for its New England trip in which the varsity debaters will match wits against such colleges as Howard, M.I.T., Holy Cross, Amherst and Our Lady of the Elms.

Will Speak
At B.C.

The St. Michael's College Sociology Club has selected John Duggan and Peter Spillane to represent St. Michael's at the Social Welfare Commission Workshop, to be held at Boston College on March 14. Duggan and Spillane will conduct a panel on "Divorce Law." The panels begin at 1:30 and continue until 4:30.

Attending the Workshop along with them will be representatives of three other New England Colleges: Providence College, Fairfield University, and Boston College. Such topics as Juvenile Delinquency, The Family, and a report on literature will be presented, as well as "Divorce Laws" by St. Michael's.

The Conference is open to any Catholic college student, and is one of the many programs that the National Federation of Catholic College Students sponsors.

ATTENTION
ALL SENIORS

St. Michael's College is planning a series of three meetings to help its nearly 200 seniors make the bridge from campus to civilian and military life.

CHIEF PROBLEMS

Prof. Robert A. Hebert, director of the placement bureau, said the three meetings will bring experts to the campus to discuss the three main topics with the Michaelmen:

1. What the Military expects of the college graduate.
2. What business expects of the college graduate.
3. Techniques of job-getting.

The meetings will be a follow up to the individual interviews which Prof. Hebert is completing this week. The first meeting is scheduled for Thursday, March 19, with the other two on the following Tuesdays, March 24 and 31. The meetings will be at 2 in the Science Hall.

COL. KINGSTON SPEAKS

Lt. Col. Jarvis R. Kingston, professor of Air Science, will be on the first panel of speakers. Prof. Hebert is awaiting acceptances from the others.

Prof. Hebert has scheduled visits from representatives of various companies as follows: March 17, New York Life Insurance Co.

incident that reflects the inability of the business office to function properly is the charge made for a faulty construction job done by the work crew. Certainly 100 dollars for a platform and an amount much higher proportionally for general repair work is extraordinary.

Space does not permit the listing of complaints against the placement bureau, the invasion of student housing by the faculty and other considerations deeply resented by the student body. However, it is hoped that by bringing some matters to light, the readers of this newspaper will know of certain conditions that are far from ideal.

Sincerely,

A Michaelman, '53

In addition to his many other duties, Mr. John Donoghue, public relations director, Choir director and moderator of the newspaper, has been elected to the office of school director of South Burlington.

In this, Mr. Donoghue's political debut, it is of great interest to note that he defeated his opponent to the tune of 445 votes to 80. Huzza! Huzza!

SIGN OF THE TIMES

It used to be that when you brought home a report card with low grades you'd get a licking; nowadays you get drafted.

When cramming for a test it takes
A pack or more for me;
But still my mouth feels clean and fresh-
They're Lucky Strikes you see!

Nothing-no, nothing-beats better taste

and LUCKIES
TASTE BETTER!

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy-GO LUCKY!

All round our ivy-covered halls
You'll hear the students say,
"For real deep-down enjoyment,
Get Lucky Strike today!"

COLLEGE STUDENTS PREFER LUCKIES
IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

From coast to coast in campus votes,
We've found what students like—
For cleaner, fresher, smoother taste,
They go for Lucky Strike!
